 - Inclusion and equal opportunity for all employees, particularly with regard to compensation, promotion, distribution of benefits, and professional development opportunities.

Internal management: environment

Environmental management of office operations

Blue Sky Travel is committed to managing environmental impact as an integral part of our operations. It is our policy to assure the environmental integrity of our processes and products at all times by:

- Continuously seeking opportunities to improve our environmental performance by establishing objectives and targets, measuring progress, and reporting our results, including but not limited to energy, water, paper, and carbon.
- Practising a waste hierarchical approach to always reduce, reuse, and recycle commodities and products instead of waste, particularly waste to landfill.
- Promoting participation and communicating our commitment to responsible environmental management by promoting environmental responsibility amongst our employees and stakeholders and soliciting input from them to better achieve our environmental goals.
- Minimising pollution including light, noise, and any soil, water, or air contaminants, and avoiding use of any toxic or hazardous substances.

Carbon management of office operations

- Blue Sky Travel is committed to reducing our carbon footprint and endeavours to reduce the amount we travel as much as possible by:
 - Reduce the amount we travel as much as possible
 - Monitoring and measuring carbon footprint with the aim to reduce as much as possible and offset remaining amounts.
 - Encouraging remote work whenever possible, and when it is not possible, making it easier for employees to limit their carbon footprint by use of eco modes of transportation.
 - We commit to offsetting our remaining direct and indirect carbon from travel and fossil energy use.
 - Implementing procedures such as [e.g. following proper maintenance for vehicle fleet.
 - Installing energy efficient equipment and appliances [where appropriate/possible]

Land use

- Blue Sky Travel offices are located in an urban area and abides by all local land use laws, respects local cultural and natural resources in our business operations, and favours sustainable architecture and design.

General suppliers policy

- Blue Sky Travel is committed to sourcing its products and services responsibly, avoiding harmful impacts on society, culture and nature as much as possible. We expect the same level of engagement and commitment from our suppliers.
- Blue Sky Travel prefers to work with partners that share the company's commitment towards sustainability. This means that we prefer partners that have a written sustainability statement as an integral part of their business policy and/or a clear sustainability policy in place.

- Blue Sky Travel prefers to work with suppliers in the destinations that are locally owned or managed, use local and seasonal products and services and benefit the local community by hiring locally and equitably and by providing fair working conditions.
- Whenever possible, Blue Sky Travel prefers to select partner companies that comply with tourism-specific, internationally recognized (GSTC-accredited) certifications, or other sustainability certifications like B Corp or ISO.
- Blue Sky Travel expects its suppliers to adhere to a [Code of Conduct/Code of Ethics], that includes the following responsible business practices:
 - Complying with all local, regional, national and international regulations
 - Respecting all human rights including labour rights, children's rights, and women's rights
 - Committing to fair employment conditions
 - Following anti-corruption, anti-bribery, anti-extortion, and anti-discrimination policies
 - Protecting children from (sexual) exploitation through tourism
 - Protecting the environment and natural resources
 - Acting in the best interest of local communities
 - Protecting the interests of Blue Sky Travel
- Following a zero-tolerance policy, Blue Sky Travel will immediately terminate any relationships with suppliers that violate our policies, specifically through acts of bribery, corruption, discrimination, and violation of human rights.
- Blue Sky Travel raises awareness amongst its suppliers to adopt sound social and environmental practices, and to minimise their carbon footprint.
- Blue Sky Travel actively collaborates with suppliers to improve their sustainability performance. We encourage our suppliers to continuously learn about sustainability and provide/support this learning whenever possible.
- Blue Sky Travel maintains open lines of communication with our suppliers and partners and encourage feedback from our stakeholders at any time and on any topic, particularly sustainability.

Inbound partner agencies

- Blue Sky Travel only works with partner agencies that adhere to the company's Code of Ethics, and policy.
